Membership shall be appurtenant to and may not be separated from ownership of any Lot, and ownership of such Lot shall be the sole qualification for membership.

ARTICLE III

Voting Rights

The Association shall have two classes of voting membership:

Class A members of the Association shall be all those owners as defined in Article II hereof with the exception of the Developer. Class A members shall be entitled to one vote for each Lot in which they hold the interest required for membership. ARTICLE V

Property Rights in the Common Area

Section 1. Developer hereby covenants for himself, his successors and assigns, that he will convey Common Area to the Association, free and clear of all encumbrances and liens.

Section 2. Every member shall have the right and easement of enjoyment in and to the Common Area and such easement shall be appurtenant to and shall pass with the title to every Lot, subject to the following provisions:

- (a) Subject to the provisions of Section 3 of this Article, use of the Common Area shall be restricted to members and their guests, and the Association shall have the right to limit the number of guests of members and to adopt reasonable regulations applicable to use by guests.
- (b) The Association shall have the right to charge a reasonable admission or other fee for the use of any recreational facility situated upon the Common Area, and shall also have the right to contract with Developer or with any other person, persons or entity for the charging of reasonable admission or other fees in exchange for management, development,

maintenance and improvement of any such recreational area.

- (c) The Association shall have the right, in accordance with its By-Laws, to borrow money for the purpose of improving the Common Area and facilities and to mortgage said property provided such action has the consent of two-thirds (2/3) of each class of membership and provided, further, that the rights of any mortgagee shall be subject to the rights of the members of the Association while any mortgage is current and not in default.
- (d) The Association shall have the right to suspend the voting rights and rights to use the Common Area and recreational facilities therein by a member for the period during which any assessment against the Lot of the Owner remains unpaid; and for a period not to exceed thirty (30) days for any infraction of its published rules and regulations.
- (e) The Association shall have the right to dedicate or transfer all or any part of the Common Area to the City of Lincoln, with its consent, for such purposes and subject to such conditions as may be agreed to by the members. No such dedication or transfer shall be effective, however, unless an instrument signed by members entitled to cast two-thirds of the vote of the Class A membership and two-thirds of the votes of the Class B membership, if any, has been recorded, agreeing to such dedication or transfer, and unless written notice of the proposed action is sent to every member not less than thirty (30) days nor more than sixty (60) days in advance of the taking of any such action. Developer shall have the right at any time prior to the complete development of the property described in Article II to use so much of the Common Area as it deems necessary or advisable for the purpose of aiding in the construction and development of unimproved lots and shall have the further right to dedicate such easements and right-of-way in the Common Area as it may consider to be necessary or advisable for the purposes of development.

Section 3. In addition to the aforementioned restrictions and conditions, the use of the Common Area shall be subject to the following restrictions:

- (a) No use shall be made of the Common Area which will in any manner violate the statutes, rules or regulations of any governmental authority having jurisdiction over such Common Area.

ARTICLE VI

Covenant for Maintenance Assessments

Section 1. Creation of the Lien and Personal Obligation Assessments. The Declarant, for each Lot owned within the Property, hereby covenants, and each Owner of any Lot by acceptance of a deed therefor, whether or not it shall be so expressed in such deed, is deemed to covenant and agree to pay to the Association: (1) annual assessments or charges, and (2) special assessments for capital improvements, such assessments to be established and collected as hereinafter provided. The annual

and special assessments, together with interest, costs, and reasonable attorney's fees, shall be a charge on the land and shall be a continuing lien upon the property against which each such assessment is made. Each such assessment, together with interest, costs, and reasonable attorney's fees, shall also be the personal obligation of the person who was the Owner of such property at the time when the assessment fell due. The personal obligation for delinquent assessments shall not pass to his successors in title unless expressly assumed by them.

Section 2. Purpose of Assessments. The assessments levied by the Association shall be used exclusively to promote the recreation, health, safety, and welfare of the residents in the Properties and for the improvement and maintenance of the Common Area. The annual assessment, as hereinafter specified, for each townhome lot shall include snow removal, yard and lawn maintenance and the repainting of the exterior every five years.

Section 3. Maximum Annual Assessment. Until January 1 of the year immediately following the issuance of an occupancy permit for a Lot of the property to an Owner, the maximum annual assessment shall be One Hundred Fifty Dollars (\$150.00) per single family Lot and Five Hundred Dollars (\$500.00) per townhome Lot.

- (a) From and after January 1 of the year immediately following the issuance of an occupancy permit for a Lot to an Owner, the maximum annual assessment may be increased each year not more than 10% above the maximum assessment for the previous year without a vote of the membership.
- (b) From and after January 1 of the year immediately following the issuance of an

occupancy permit for a Lot to an Owner, the maximum annual assessment may be increased above 10% by a vote of two-thirds (2/3) of each class of members who are voting in person or by proxy, at a meeting duly called for this purpose.

- (c) The Board of Directors may fix the annual assessment at an amount not in excess of the maximum.

Section 4. Special Assessments for Capital Improvements.

In addition to the annual assessments authorized above, the Association may levy, in any assessment year, a special assessment applicable to that year only for the purpose of defraying, in whole or in part, the cost of any construction, reconstruction, repair or replacement of a capital improvement upon the Common Area, including fixtures and personal property related thereto, provided that any such assessment shall have the assent of two-thirds (2/3) of the votes of each class of members who are voting in person or by proxy at a meeting duly called for this purpose.

Section 5. Notice and Quorum for Any Action Authorized Under Sections 3 and 4. Written notice of any meeting called for the purpose of taking any action authorized under Section 3 or 4 of this Article shall be sent to all members not less than thirty (30) days nor more than sixty (60) days in advance of the meeting. At the first such meeting called, the presence of members or of proxies entitled to cast sixty percent (60%) of all of the votes of each class of membership shall constitute a quorum. If the required quorum is not present, another meeting may be called subject to the same notice requirement, and the

required quorum at the subsequent meeting shall be one-half (1/2) of the required quorum at the preceding meeting. No such subsequent meeting shall be held more than sixty (60) days following the preceding meeting.

Section 6. Uniform Rate of Assessment. Both annual and special assessments must be fixed at a uniform rate for all Lots and may be collected on a monthly basis.

Section 7. Date of Commencement of Annual Assessments: Due Dates. The annual assessments provided for herein shall commence as to all Lots of the property on the first day of the month following the filing of this document. The first annual assessment shall be adjusted according to the number of months remaining in the calendar year. The Board of Directors of the Association shall fix the amount of the annual assessment against each Lot at least thirty (30) days in advance of each annual assessment period. Written notice of the annual assessment shall be sent to every Owner subject thereto. The due dates shall be established by the Board of Directors. The Association shall, upon demand, and for a reasonable charge, furnish a certificate signed by an officer of the Association setting forth whether the assessments on a specified Lot have been paid.

Section 8. Effect of Non Payment of Assessments: Remedies of the Association. Any assessment not paid within thirty (30) days after the due date shall bear interest from the due date at the rate of ten percent (10%) per annum. The Association may bring an action at law against the Owner personally obligated to

pay the same, or foreclose the lien against the property. No Owner may waive or otherwise escape liability for the assessments provided for herein by non-use of the Common Area or abandonment of his Lot.

Section 9. Subordination of the Lien to Mortgages. The lien of the assessments provided for herein shall be subordinate to the lien of any first mortgage. Sale or transfer of any Lot shall not affect the assessment lien. However, the sale or transfer of any Lot pursuant to mortgage foreclosure or any proceeding in lieu thereof, shall extinguish the lien of such assessments as to payments which become due prior to such sale or transfer. No sale or transfer shall relieve such Lot from liability for any assessments thereafter becoming due or from the lien thereof.

Section 10. All properties dedicated to and accepted by the City of Lincoln and the Common Area shall be exempt from all annual and special assessments of the Association.

The Developer or the Association may charge each Lot owner for its proportionate share of any costs incurred in fulfilling said owner's requirements. If said charges are not paid within thirty (30) days from the date of billing, the Developer or the Association may file a lien upon the property of said owner and may bring on action at law to collect same or foreclose the lien against the property, and interest, costs, and reasonable attorney's fees shall be added to the amount of such charges.
